What we do

At Prepco Travel, we offer first-class, luxury destination vacations and tours. Our door-to-door packages ensure seamless experiences for all your location activities, executed with style, elegance, and excellence.

Our portfolio caters for whether you're travelling on your own, or a couple, family, group or a corporate entity.

We focus on checking those minute details and 'out-of-the-box' necessities to ensure a five-star, first-class portfolio, umbrellaed with safety, quality, and professionalism.

Planning a vacation is just as enjoyable as the vacation itself and we enjoy walking with you down that path to achieve your well-deserved vacation or tour. We listen to your wishes and needs and operate a timeline to ensure compatibility, safety and satisfaction of your expectations.

We operate a code of excellence.

All our recommended vacation locations are applied with one or both of the following Seals of Excellence

Plus!

Travel Insurance

Be safe. Even with a short 5-day vacation, the consequences of not having travel insurance can seriously damage the wallet. Our travel insurance plans can include cancellation for any reason and not be heavy on expenditure.

You don't have to be traveling with Prepco Travel, our insurance plans are available direct to anyone or other travel companies.

Finance

We all deserve a vacation at least once a year, but unfortunately a budget constraint sometimes does not allow such pleasure.

At Prepco Travel, we offer finance plans that allow that lump sum payment with extended and affordable payment plans.

Private Air and Ground Travel

Miss the lines and take flight in one of our private jets for group travel of 4 to 30+ guests to travel in luxury.

Planning

All our Vacations and Tours are subject to an internal strategic discovery and planning session to assure an uninterrupted travel plan from departure to return.

We satisfy ourselves that all your requirements are catered for. We ask if you require any special needs such as dietary or physical

We ask about any children traveling and their special needs. Their safety is paramount.
